

Great News - Register for Tennis Camp Today!

Dear Parents

Thank you all for your patience as well as your interest in Summer Tennis Camp for your children at the Valley Tennis Club (Cnr Yonge St and Mill St, North York).

TenTen is looking to run running weekly tennis camp at the Valley Tennis Club with an anticipated start the week of July 13th, unless we are instructed by the City of Toronto that tennis camps will not be allowed due to COVID-19.

This is my 18th year as Head Professional at the Valley coaching and running summer tennis camp but it will be a new experience for us all. However, my excellent team of coaches and I will work hard to make it safe and special.

Camp will be run under the guidelines presented by the City of Toronto and Public Health. At present the guidelines have not been issued. Camp will be modified as to the required guidelines and will be a little different to normal.

Peace of Mind Information

We will be keeping to a low number of campers per week. Our camp ratio is low and manageable and safe for kids and coaches on and off the court.

The number of campers per week may change as guidelines change.

Campers 6 years and older will be taught on the court which is more than large enough to allow for social distance as well as for the kids to enjoy hitting, moving and experience all the tennis games and drills we teach.

4 to 5.5 year olds will be taught on the mini court.

Children are arranged in groups that are both age and level appropriate. The group will be assigned the same coach for the entire week. If you have requests to be with friends or siblings please let me know, or make a note when registering.

Off Court: each group will have a designated area set aside allowing for social distancing within their group. There will be no interaction between the groups. Special attention will be placed on safety for all, which includes disinfecting any common areas and washrooms on a regular daily basis, and no parents/spectators on site.

Groups will participate in fun off court activities in the beautiful park area for approximately 45 minutes a day per session. This will include a sporting activity, mini olympics, tennis baseball, soccer, capture the flag, and more. These activities are done with the coach, and the activities are geared toward improving foot work, agility, movement and coordination, important skills for everyone playing tennis (attention will continue to be given to social distancing).

Follow the registration and payment process

Once we know for certain that our tennis camp will be running, you will be required to do the following:

1. Register your child as a member of the Valley Tennis Club (this is a requirement for all kids attending camp) at **www.valleytennisclub.com** (Membership cost is \$20 for 4 to 6 year olds, and \$40 for 7 and older)
2. After completing membership you will then be required to register in full for camp either on the Valley Tennis Club website or by completing a PDF form and e-transferring payment to tenten@rogers.com
3. Once you have completed registration your deposit will be refunded.

A few days before camp starts you will receive a camp package email with important information and instructions pertaining to camp safety, and camp COVID protocol.

For a more detailed camp outline including the Rain Policy please review the **[Summer Camp Information Flyer](#)** attached below.

We look so forward to having your children at camp with us and for allowing us the opportunity to inspire, motivate and educate your children in a fun, safe and engaging environment.

Best regards,

Brian and the Coaching Team

2020 Summer Tennis Camp Information

***1st Week of Camp: July 13th-17th *Last week of Camp August 31st-Sept 4th**

Our weekly Summer Camp accommodates children 4 to 16 years of age, of all levels and abilities, from the absolute **Beginner** to the **High Performance competitive** player.

On the first day of each camp week, campers are thoughtfully divided up into groups that are both level and age appropriate.

Our camp program is **active**, and **challenging**. It consists of technique instruction, well formulated tennis drills, on court exercises, game and point play, and interactive play that covers all aspect of tennis.

Campers also enjoy the opportunity to participate in off-court field sports and activities for up to 45 minutes per camp day (soccer, golf, baseball, obstacle course, capture the flag, and team games). We have a daily camp **theme** that is incorporated into the daily program. Campers participate in either a **Tournament** or a **Skills Test** on the Friday of each camp week.

For information on our **High Performance Camp Program** (for tournament level players) please contact Brian at tenten@rogers.com
